Smart Science Group was established in 2015. We are a leading distributor of Scientific and Medical Supplies in Thailand. We provide high quality Scientific Research Products, to assure that our clients will obtain the best possible solutions and services.

OUR PRODUCTS

**Chemicals / Reagents**
- Analytical Reagents
- Reference Standards
- High Purity Solvents
- Antibiotics
- Buffers
- Carbohydrates
- Detergents
- Dyes & Stains
- Enzymes
- Substrates
- Phytochemicals
- Raw Materials (IVD)
- Vitamins

**Cell & Molecular Biology**
- DNA / RNA Extraction Kit
- PCR Enzyme / RT PCR
- Real - Time PCR
- DNA Electrophoresis : Agarose, Buffer
- DNA Ladder, Safe dye, DNA loading dye
- Gene Cloning / Vector / Enzyme
- Competent Cells (AG/BL21/ DH5/ DL39)
- Cell Lines (Primary/ Immortalized Cells)
- Cell Viability & Apoptosis Kits
- Cell Culture Medium / Sera
- RNAi / miRNA
- CRISPR / Cas9
- Fluorescent Dye (Cell Stain)
- Flow cytometry
- Luciferase Assay Kits

**Protein Research**
- Protein Extraction / Purification
- Protein Electrophoresis
- Western Biot Analysis
- Primary / Secondary Antibodies
- Antibody & Protein Labeling Kits
- Recombinant protein (Peptide)
- Cytokine / Growth Factor
- ELISA Kit
- Enzymes
Microbiology Application
- Dehydrated Culture Media
- Culture Media bases
- Media Supplements
- Antibiotic Sensitivity Discs
- Ready to use Culture Media
- Culture Strains
- Culture Media bases
- Antimicrobial Susceptibility
- Amino Acids and Vitamins

DNA Sequencing Service
Service List
- Oligo DNA Synthesis (Primer)
- Gene Synthesis & Cloning
- Standard Sequencing
- Next Gen Sequencing

Plant Tissue Culture
- Plant Media
- Plant growth regulators
- Macro & Micronutrients
- Carbohydrates
- Amino Acids
- Vitamins
- Plant Preservative Mixture (PPM™)
- Gelling Agents

Food & Environment Safety
- ANALYTES (in Food)
- Mycotoxins
- Veterinary Drug Residues
- Pesticide Residues
- Marine Toxins
- Enterotoxins
- Microorganism
- Pathogen
- Hormones
- Illegal Additives
- Nutrients

Lab Equipment
- Autoclave
- Balance
- Bio Safety Cabinet
- Centrifuge
- Dispenser
- Dry Bath (Heating Block)
- Electrophoresis system
- Freezer
- Gel Documentation
- Homogenizers / Cell lysis
- Hotplates & Stirrers
- Incubators / Shaking incubators
- Immuno Analyzer
- Immuno Blotter
- Moisture Analyzer
- Nanodrop
- Oven
- Pipette
- PCR
- Power Supply
- pH Meter
- Real Time PCR
- Roller / Rockers and Rotators
- Rotary Evaporator
- Shakers
- Spectrophotometer
- Sterilization
- Transluminator (UV / LED)
- Vortex Mixture

Lab Consumables
Plastics ware
- Beakers / Flask
- Cell Tissue Culture Supply
- Micro-centrifuge Tube
- ELISA Plate
- Microbiology Supply
- Petri Dish
- Pipette Tip
- Serological Pipette
- Rack, Box

Glass ware
- Beaker
- Bottle
- Burette
- Cylinder
- Desiccator
- Flask
- Petri Dish
- Test Tube
- Volumetric Pipette
- Microscope Slide

Paper
- Extraction Timber
- Filter Paper
- pH Indicator Strip
- Syringe Filters
- Test Strip
